

BOYS & GIRLS CLUB
OF THE WISCONSIN RAPIDS AREA

Great Futures Giving Club

The *Great Futures Giving Club* is a group of leaders who believe in the future of our youth and the mission of the Boys & Girls Club. Members have made annual gifts of \$1,000 or greater. Benefits of membership include invitations to the annual VIP reception and the awards banquet as well as special communication from the Club throughout the year.

Champion - \$10,000+

-Provide the training needed for the next great leader in our community. Your gift of \$10,000 will fund programs such as Youth of the Year, which helps teens to develop leadership abilities while strengthening their communication skills through written work and public speaking.

Lifesaver - \$5,000-\$9,999

-Provide all youth the chance for a great future. An annual membership to the Club is only \$10 to ensure all kids can afford to come to the Club, but the actual cost per child is \$13 per day. Your gift of \$5,000 or more would provide all children the opportunity to come to a safe place before and after school.

Mentor - \$2,500-\$4,999

-Provide children with great role models who help them be great. Your gift of \$2,500 or more would ensure the staff of the Boys & Girls Club has the resources they need to challenge kids and encourage them to succeed.

Leader - \$1,000-\$2,499

-Provide children a place to belong. Your gift of \$1,000 or more will provide a world-class Club experience for every young person who enters our doors. Each of our members will have the opportunity to prepare for a Great Future.

By giving to the Boys & Girls Club you are providing a safe, caring environment that feeds the soul, the mind and the tummy of hundreds of kids in our community. Many of our members walk through our doors without any future in sight. Your gift will help show them what their future can be.
