

Planned Giving: The Heritage Club

What is the Heritage Club?

The Heritage Club is an association of friends of Boys & Girls Clubs of the Wisconsin Rapids Area. Like you, these people seek to ensure that the future needs of our areas youth are met by including the Boys & Girls Clubs of the Wisconsin Rapids Area in their estate plans. This planning might include a will, charitable gift annuity, a trust arrangement, a real estate gift or a life insurance policy.

What are the benefits of membership in The Heritage Club?

When you join The Heritage Club, the Boys & Girls Clubs will thank you by providing you with:

- A publication on tax and estate planning.
- A personalized Heritage Club recognition plaque
- A lapel pin that indicates your leadership in the mission to guarantee a strong and stable future for our children.
- Publications that let you know how your support is helping to change young lives.

A Foundation for the Future

Boys & Girls Clubs offer positive alternatives to children who may be surrounded by negative influences, showing them how to live successful and productive lives. Since 1994 our Club locations have provided safe havens for young people by offering quality programs and critically important relationships with nurturing and reliable adults.

Your support through a planned gift will ensure that future generations of our children will have the opportunity to live successful lives in a safe, positive and caring environment. Your gift will be added to the Boys & Girls Club endowment managed locally by Incourage Community Foundation in Wisconsin Rapids.

How Can I Become a Member?

Joining The Heritage Club is easy! Simply communicate your intentions by setting up a meeting to discuss the planned giving options with our Executive Director and Development Director to discuss your specific estate planning needs and opportunities.
